California Perfusion Society is pleased to announce the 27th Annual Lake Tahoe Fall Symposium. The meeting starts on Friday September 17th with registration beginning at 0700 and the presentations starting at 0800.

Meeting Description:

The annual fall symposium is a continuing education seminar specifically aimed at Perfusionists, Perfusion Assistants, Perfusion Students and Nurses. The Meeting is designed to meet the scientific needs of the practitioners in the relaxed atmosphere of the Sierra Nevada Mountains and scenic Lake Tahoe.

Post-Op Intensive Care Track: This year we are adding a special track on Saturday to present topics in the intensive care. This track will run parallel to the usual symposium topics that focus on cardiopulmonary bypass.

Harvey's Tahoe Resort and Casino:

The Resort is located on Highway 50, South Lake Tahoe, Nevada. Rated as a 4 Diamond, Harvey's Resort offers luxurious rooms, many with lake view, a heated pool, spa, health club, 8 restaurants including a Hard Rock Café, and a Casino.

Call 1-800-455-4770 for Harrah's in Northern Nevada - Select Tahoe Hotels - will answer Harrah's Lake Tahoe. Give group code of S09CPS at Harvey's when making your reservations to ensure our special room rate.

Or call 1-800-Harrahs (427-7247) - after intro say "Harvey's Lake Tahoe" to be connected direct to reservations.

Make sure you say "Harvey's" to the operator
